Sun Protection

SunX50 SunX30+

Protect yourself from the sun with Oxybenzone, Octinoxate and paraben free Sun X SPF 50 & Sun X SPF 30+ Broad Spectrum Sunscreens. This non-greasy formula is water resistant, and Linesman Glove tested while giving you 80 minutes of protection with each application.

See all sizes available on pages 7-11

Insect Repellent

BUGX30

Protection from insects that may carry the Zika Virus, West Nile Virus, or Lyme Disease is not just an employee want, but an OSHA recommendation. Our low odor, EPA registered Bug X 30 Insect Repellent is a water-based formula that contains 30% DEET, giving you up to 7 hours of protection.

See all sizes available on page 15

BUGX FREE

Naturally derived, plant-based Bug X FREE, making it a safe and DEET FREE insect repellent to use while wearing FR clothing.

See all sizes available on page 16

Poisonous Plant Solutions

IvyX

Our quick-drying Ivy X Pre-Contact Skin Solution immediately tightens pores to protect against common environmental irritants such as Poison Ivy, Poison Oak, and Poison Sumac. This non-sticky solution rinses off easily with soap and water.

See all sizes available on page 18

IvyX

Designed to remove poisonous plant oils (Urushiol) before the itchy rash develops, Ivy X Post-Contact Skin Cleanser is designed to be used immediately after coming into contact with any environmental irritant. Apply liberally.

See all sizes available on page 19

Pain Relief

Sting X's Benzocaine formula gives you the relief you need from pain associated with bees, wasps, and other insect bites or stings.

See all sizes available on page 17

Anti-Itch Dual Action Gel's Diphenhydramine Hydrochloride & Zinc Acetate formula stops the skin irritation associated with poison plant rashes and insect bites within moments of application.

See all sizes available on page 17

Burn X Lite Cooling Gel soothes sunburns and mild skin irritations with a Lidocaine-free gel that cools as it calms.

See all sizes available on page 22

Pain Relief Packettes & Gels

Hand Protection

Promote good dermal hygiene with antibacterial hand sanitizer and cleaner that effectively kills 99.9 percent of germs.

See all sizes available on page 21

Our sealant formula provides up to four hours of a protective barrier against latex, grease, adhesives, inks, talc, surfactants, or solvents. Contains Aloe Vera, Leaf Juice and Vitamins A and E to provides moisture.

See all sizes available on page 23

Replace moisture to severely damaged skin with our silicone-free, Maximum Strength Hand Lotion that leaves your skin soft, never greasy. Apply as often as needed. Formula contains Aloe Vera, Vitamins A & E, Ginseng, and Tea Tree oil.

See all sizes available on page 23

Our water-free hand cleaner is a citrus-based formula (d'Limonene) with a pleasant orange fragrance, and a neutral pH (7.2) that allows for multiple applications without skin damage.

See all sizes available on page 23

BE SAFE. BE PREPARED. BE PROTECTED.

..... BE PROTECTED WITH BROAD SPECTRUM SUNSCREEN

BE SUN SAFE

SKIN CANCER FACTS & STATISTICS

Skin cancer is by far the most common type of cancer. Over the past three decades, more people have had skin cancer than all other cancers combined.

ONE in FIVE AMERICANS will develop skin cancer in their lifetime.

IN THE U.S. MORE THAN **9,500 PEOPLE** are diagnosed with SKIN CANCER **EVERY DAY.**

SKIN CANCER is the most **COMMON CANCER** in the United States.

BE SUN SMART

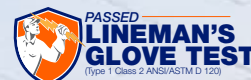

Outdoor workers should always protect their skin with a broad spectrum sunscreen that provides protection from both UVA and UVB rays.

Unprotected skin can be **DAMAGED** by the sun's UV rays in as little as **15 MINUTES** whether the sun is out or not.

FOR EXTENDED OUTDOOR ACTIVITY **USE A WATER-RESISTANT** Broad-Spectrum sunscreen with an **SPF 30** or higher.

Reapply Every **8 MINUTES** or after **EXCESSIVE** sweating or swimming.

Sun X Sunscreens offers up to SPF 50, the highest allowed by the FDA. They are Oxybenzone, Octinoxate free, non-greasy, and Paraben free. Sun X SPF 50 & Sun X SPF 30+ Broad Spectrum Sunscreen are the best way to be sun safe!

Keeping everyone protected while in the sun!

SUN X 50 BROAD SPECTRUM SUNSCREEN

Sun X Sunscreen Wallmount* or Stand Dispenser* & 750ml Bladder!

SPF 50 Sunscreen

SunX50[®] sunscreen lotion

Protection against the elements is an integral part of working outside, even OSHA agrees, but we often forget about the damage UV Rays can do to our bodies.

Sun exposure can lead to sunburn, sun poisoning, or skin cancer. Protect yourself daily with our Oxybenzone, Octinoxate and paraben free Sun X SPF 50 Broad Spectrum Sunscreen. This non-greasy formula goes wherever your job may take you, providing 80 minutes of protection with each application.

Water resistant, FDA compliant, and Lineman's Glove tested (Type 1 Class 2 ANSI/ASTM D 120). Sun X is tough enough to stay put even when the heat is on.

SPF 30+ Sunscreen

SunX30+ s u n s c r e e n

NEW
Formula
Oxybenzone, Octinoxate
& Paraben Free

Working in the sun may not be avoidable, but the damage the sun can do to your skin is.

Evade skin cancer, sun poisoning, and sun burns on the job with our FDA compliant Sun X SPF 30+ Broad Spectrum Sunscreen. Much like our SPF 50 Broad Spectrum Sunscreen, Sun X 30 blocks harmful UVA and UVB rays with a water resistant, Oxybenzone, Octinoxate, and paraben free formula that lasts up to 80 minutes. Plus, it's Lineman's Glove Tested (Type 1 Class 2 ANSI/ASTM D 120), so you can wear it with confidence in any environment.

BE SAFE. BE PREPARED. BE PROTECTED

OSHA ENCOURAGES ALL EMPLOYERS TO ADOPT AN INJURY AND ILLNESS PREVENTION PROGRAM.

Injury and Illness Prevention Programs, known by a variety of names, are universal interventions that can substantially reduce the number and severity of workplace injuries and alleviate the associated financial burdens on U.S. workplaces.

Successful Injury and Illness Prevention Programs are based on a common set of key elements. These include; management leadership, worker participation, hazard identification, hazard prevention and control, education and training, and program evaluation and improvement. (Source: <https://www.osha.gov/as/opa/worker/employer-responsibility.html>)

OSHA Recommends That Outside Workers Are Protected From All Environmental Hazards. With Our Complete Product Line, CoreTex Products Has All Your Skin Protection Needs Covered!

WORKING OUTDOORS IN WARM CLIMATES

Seasonal warm months pose special hazards for outdoor workers who should protect themselves against heat, sun exposure, and other hazards. Employers and employees should know the potential hazards in their workplaces and how to manage them.

(Source: https://www.osha.gov/OshDoc/data_Hurricane_Facts/working_outdoors.pdf)

BE SAFE. BE PREPARED. BE PROTECTED.

12644

Protection from insects that may carry Zika Virus, West Nile Virus, or Lyme Disease is not just an employee want, but an OSHA recommendation.

Our EPA registered Bug X 30 Insect Repellent contains 30% DEET, giving you up to 7 hours of continuous protection against mosquitoes, ticks, chiggers, fleas, gnats, red bugs, no-see-ums, sand fleas, biting flies, deer flies, stable flies, and black flies.

Low odor, non-staining, and non-greasy, Bug X 30 is the best choice for compliant skin protection.

Pre-Contact Poisonous Plant Solution

Poisonous Plant Protection

Approximately 85% of the general population will develop an allergy if exposed to poison ivy, oak or sumac.

Poisonous Plants - Source: OSHA Fact Sheet

83461

IvyX

POST-CONTACT SKIN CLEANSER

Effective in assisting in the removal of poisonous plant oils (Urushiol) found in Poison Ivy, Poison Oak and Poison Sumac.

Designed to remove poisonous plant oils (Urushiol) before the itchy rash develops, Ivy X Post-Contact Skin Cleanser is designed to be used immediately after coming into contact with any environmental irritant. Apply liberally. Our packaging (towelettes and bottles) allows for a compliant and affordable skin protection program to help in poisonous plant protection.

OSHA RECOMMENDS THAT OUTSIDE WORKERS BE PROTECTED FROM ALL ENVIRONMENTAL HAZARDS

SOLUTION: Ivy X Post-Contact Skin Cleanser

- ✓ Helps to Reduce Loss of Work due to Rash from Poison Ivy, Poison Oak and/or Poison Sumac

How to use Ivy X Post-Contact Skin Cleanser:

- Apply to all exposed areas within 1 hour of coming in contact with poisonous plants.
- Clean contaminated tools and equipment before reuse.

Post-Contact Poisonous Plant Cleanser

CORETEX HAND PROTECTION

STRENGTHEN YOUR FIRST LINE OF DEFENSE

SKIN IS THE LARGEST ORGAN OF THE BODY AND OFTEN THE MOST FORGOTTEN ONE.

Your skin acts as a barrier and shields you against harmful invaders such as bacteria, viruses and toxins. The average adult has over 8 pounds of skin and if healthy and uninjured, pathogens cannot penetrate it. Even more reason to protect and strengthen your first line of defense daily, especially during the cold and flu season.

DEFEND

The easiest solution to stop the spread of germs in the workplace is to wash your hands frequently, but few actually do and even fewer follow proper hand washing protocols. Residual bacteria can grow and multiply in less than 20 minutes leaving your hands with the same number of bacteria prior to washing.

There's a better way to defend against the spread of pathogens and promote good hygiene in the workplace. **CoreTex Antibacterial Hand Sanitizer kills 99.99% of germs.** Following the CDC recommend 62.5% FDA approved ethyl alcohol, this specially designed sanitizer dries quickly without leaving a sticky residue. Aloe Vera leaf extract and Vitamin A & E supply the skin with moisture so multiple daily use is encouraged.

PROTECT

The skin's natural defenses become weakened and impaired by climate changes and the use of chemicals. Workplace substances tend to over-tax the skin's natural neutralizing capability, impair its ability to hold moisture and weaken its effectiveness as a protective shield.

CoreTex's Hand & Skin Barrier provides an added protective layer on the skin so latex, grease, adhesives, inks, talc, surfactants and solvents will not disrupt the normal skin function. It delivers up to four hours of protection which makes for an easier clean up as well. The more support the skin receives, the better barrier it will provide.

With extreme conditions, severe skin damage may occur but CoreTex already has a solution! **Maximum Strength Hand Lotion soothes and repairs in remarkable time.** It replaces moisture to severely damaged skin caused by over exposure to workplace chemicals and conditions. The Aloe Vera leaf juice, Vitamins A & E, Ginseng and Tea Tree moisturize and calm the skin to protect from any further damage. Applying often provides maximum protection!

When water isn't available and a cleanup is in order, look to the **Heavy Duty Waterless Hand and Surface Cleaner with Grit to get the job done.** It removes the "tough stuff" fast and efficiently without water. Its neutral pH allows for multiple applications without causing any skin damage. Whatever the situation, CoreTex has you prepared.

Antibacterial HAND SANITIZER AND Waterless Hand Cleaner

**Clean hands are critical!
Stay protected in the
workplace with an effective
hand sanitizer that won't
dryout your hands.**

Promote good dermal hygiene with antibacterial hand sanitizer. It effectively kills 99.9 percent of germs. Available in single dose foil packs, bottles, and pumps.

OSHA RECOMMENDS THAT OUTSIDE WORKERS BE PROTECTED FROM ALL ENVIRONMENTAL HAZARDS

SOLUTION: Burn X Lite Cooling Gel

- Cools and Soothes Sunburn.
- Perfect for Mild Skin Irritations.

21666

Working outdoors for extended periods of time can make your skin dry, rough, or raw.

Replace moisture to severely damaged skin with our silicone-free, Maximum Strength Hand Lotion that leaves your skin soft, never greasy. Apply as often as needed. Our formula contains Aloe Vera, Vitamins A & E, ginseng, and Tea Tree Oil, making it the perfect remedy for drying, chapping and chafing skin.

How to Use:

- Apply a small amount to clean dry hands
- Rub thoroughly into skin
- Re-apply as often as necessary

OSHA COMPLIANT
