

# SAFETY DEVICE CABLE LOCKOUTS

## Devices for Any Application

Cable lockout devices are **universally applicable**, especially in cases where longer distances between two lockout points have to be bridged. These flexible cables are available in different lengths and simply wrap around lockout spots and tightened

with the lockout device.

## Key Features

### Safelex™ Cable Lockout

- Intuitive design for self-explanatory application
- Patented grip mechanism for secure fixation of the cable
- Retightening possible at any time, even when locked
- Isolated, exchangeable metal cable in different lengths
