

Our warmest protection for your coldest jobs.

Tingley Cold Gear ANSI Compliant Heat Retention, Insulating, Water Repellent, High Visibility Outerwear

Engineered to provide superior comfort and safety in cold storage and freezer environments, Tingley Cold Gear uses premium heat retention technology with Thermo-ficient™ insulation to keep you protected in the toughest temperatures.

- ANSI 107 Type O Class 1 compliant jacket, overalls, and coveralls
- Two-tone 2" silver reflective tape reflects light for 360° conspicuity in low light conditions
- Aluminum oxide Thermo-ficient™ lining reflects up to 70% of body heat for optimal heat retention
- Heavy duty, water repellent, abrasion and tear resistant 420D Nylon shell material for longer wear-life

Ideal Applications: For use in environments where high visibility and warmth are desired for wearer safety and comfort in cold storage and freezer environments.
