## OUR STORY

Nextteq® International is known for its quality product offerings and hydration is no exception. We believe one should not be required to look at the ingredients in your hydration products. Chemicals like sucralose, dextrose, dyes and artificial anything are not acceptable.

A proprietary patented process locks in the fresh squeezed taste by crystallizing the fruit juices and oils at the peak of flavor.

## STRAWBERRY LEMONADE

A winning flavor that tastes like ripe strawberries and fresh-squeezed lemonade.

10 calories  
1g cane sugar

## ORANGE MANGO

A delicious tropical Florida taste of ripe mangoes and fresh squeezed orange juice.

10 calories  
1g cane sugar

## ENERGY BLACKBERRY POMEGRANATE

Packed with Vitamin C and powered by 120mg of clean energy from green tea (like a cup of coffee with no jitters).

0 calories  
0g sugar  
120 mg caffeine

## WATERMELON LIMEADE

Nothing is more refreshing in the summer than the taste of watermelon and limes.

10 calories  
1g cane sugar

Our **Ready/Go®** Hydration products are made with care by the True Citrus® Family using only simple and clean ingredients.
