

# First Aid Products & Service Solutions

 **HART Health®**

**HART Health®**  
Seattle, WA Headquarters

## We Believe

- You should have access to the widest selection of quality products offered anywhere in this industry
- Ordering should be easy via telephone, web, fax or email
- Your shipment should arrive complete and correct every time
- Your call should be answered by real people and messages should be returned within 15 minutes
- The meaning of success is happy distributors

## Welcome to HART Health®

For our new friends, we'd like you to know we've been in business since 1976 manufacturing and distributing one of the most extensive lines of industrial first aid kits and immediate care medical supplies. **HART** brand products are of the highest quality with special attention to every detail of production including function, appearance, packaging, and labeling. Our medications have exceptional quality ingredients and time tested formulations.

For our old friends, you already know all of this, so let us take this moment to say "Thank You!" for your business, your loyalty, and your friendship.

## Our Commitment

### QUICK DELIVERY...

Place your order by 3 pm (PST) and we will ship your order the same day.

### VIRTUALLY NO BACKORDERS...

Over 98% of catalog items are shipped complete.

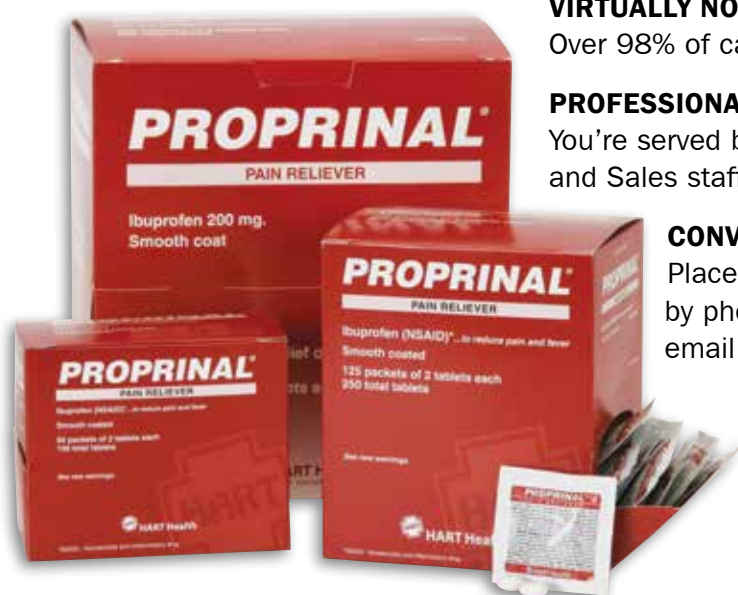

### PROFESSIONAL SERVICE...

You're served by the friendliest, most knowledgeable Customer Service and Sales staff in the business.

### CONVENIENT ORDERING...

Place your order on our website at [www.harthealth.com](http://www.harthealth.com), by phone (800)-234-4278, by fax (206)-431-9828 or email to [sales@harthealth.com](mailto:sales@harthealth.com).

For more information about our product lines or for help with placing an order, please call our Customer Service Department at: **1-800-234-4278**

## OUR VISION

We strive to be the leading manufacturer of industrial first aid kits and basic medical supplies. Our strategy is to offer exceptional quality, world-class service and great value. We are committed to helping distributors build their business and encouraging their success by offering our expertise.

# HART First Aid Stations

## A Comprehensive First Aid Station Contains:

- High quality over-the-counter medications
- Complete assortment of adhesive bandages
- A full complement of trauma dressings
- Easy access to unit dose packages

# HART First Aid Stations

## Quality, safety & value in four convenient kit sizes

### More Than a First Aid Kit

These stations are designed to meet more than the standard first aid kit needs of the workplace. By including frequently used medications and items for minor injuries in one convenient location, workers may quickly treat their aches, pains, and discomforts and then quickly return to work.

### Interior Dimensions

<b>2 Shelf:</b>	14 <sup>7</sup> / <sub>8</sub> " x 10" x 4 <sup>5</sup> / <sub>8</sub> "
<b>3 Shelf:</b>	13 <sup>1</sup> / <sub>2</sub> " x 16" x 5 <sup>1</sup> / <sub>2</sub> "
<b>4 Shelf:</b>	14 <sup>7</sup> / <sub>8</sub> " x 21" x 5 <sup>1</sup> / <sub>2</sub> "
<b>5 Shelf:</b>	19" x 24 <sup>3</sup> / <sub>4</sub> " x 6 <sup>1</sup> / <sub>2</sub> "

### Designed for the Workplace

Four sizes of First Aid Stations meet OSHA regulations and have been designed for a variety of businesses and their first aid requirements. Whether you are a small business or a Fortune 500 corporation, **HART** has a First Aid Station to meet your needs.

### Convenience and Safety

Dispenser boxes provide easy access to medications, bandages, and other products. Each **HART** medication has full disclosure labeling on the unit dose packaging to ensure your employees always have directions and dosage information. Non-aerosol sprays in pump bottles are easy to use and are environmentally friendly. Individual, frequently used items may be kept in the convenient door pouches.

### Superior Quality

Each component is produced to exacting specifications and verified by a strict quality control process. Durable steel cabinets are rust resistant, with baked enamel throughout and include a full length door hinge, two latches, wall-mount slots, and a carrying handle.

# HART Unitized First Aid Kits

## Standardized kits that meet or exceed ANSI and OSHA requirements.

- Rugged, durable, and weather resistant; all unitized boxes have weatherproof gasket seals
- Contents in color-coded unit boxes for easy recognition, use, and restocking
- First aid instructions and contents listing included

# HART Unitized First Aid Kits

## Quality and Economy

These kits are designed and stocked to meet the needs of your work site, are available in 10, 16, 24 and 36 unit sizes, and meet the latest ANSI standards. Containing the highest quality fills, **HART Health** kits offer exceptional value.

## Convenience and Safety

Each unitized item is packed in a color coded box for easy recognition and use, and includes the item number for quick restocking. Most have cellophane sealed packaging to keep supplies clean and moisture free.

## Number of People Each Kit is Designed to Served

**10 Unit Truck Kits:** for mobile workers

**10 Unit Kits:** 1 to 5 People

**16 Unit Kits:** 6 to 15 People

**24 Unit Kits:** 16 to 30 People

**36 Unit Kits:** 31 to 50 People

For more than 50 people, use additional kits in multiple locations.

## Customized Unit Kits

**HART** kits can be customized and silk-screened to meet your specific needs. Please see page 8 for more information.

## Durability and Value

Rugged steel boxes have a baked enamel finish, a piano-hinge cover, a hanging bracket and a separate carrying handle. High-impact, lightweight polystyrene (plastic) and polypropylene (poly) boxes include positive catches and a combination handle/hanger. The plastic boxes feature hinges with brass pins; poly boxes have one-piece construction with a "living" hinge. All kits have weatherproof gasket seals.

## Refill units

**HART** manufactures over 50 different refill items. Refill unit boxes are easily replaced. Simply note the unit number on the used unit, reorder from your **HART** dealer, and slip the new unit into the kit. This keeps your kit up to ANSI standards and stocked with clean, fresh supplies handy for emergency use. Additional refill units are available; please see page 8 for descriptions and order numbers.

### Metal Boxes

Rugged steel boxes have baked enamel finish, a piano-hinge cover, hanging bracket and separate carrying handle.

**Order #0061** for Truck Kit: 7½" x 4⅝" x 2⅜"

**Order #0071** for 10 UNIT: 7½" x 4⅝" x 2⅜"

**Order #0072** for 16 UNIT: 6⅜" x 9⅛" x 2⅜"

**Order #0073** for 24 UNIT: 9½" x 9½" x 2½"

**Order #0074** for 36 UNIT: 13¾" x 9¼" x 2⅞"

### Plastic Boxes

High-impact, lightweight polystyrene box features positive catches, a combination handle/hanger and hinges with brass pins.

**Order #0076** for 10 UNIT: 7⅞" x 4⅝" x 2⅜"

**Order #0077** for 16 UNIT: 9⅞" x 6½" x 2⅜"

**Order #0078** for 24 UNIT: 9⅞" x 9⅞" x 2⅜"

**Order #0079** for 36 UNIT: 13⅞" x 9¼" x 2⅜"

### Polypropylene Boxes

Lightweight polypropylene box features positive catches, a combination handle/hanger and one-piece construction with a living hinge.

**Order #0066** for Truck Kit: 7⅞" x 4⅞" x 2⅜"

**Order #0039** for 10 UNIT: 7⅞" x 4⅞" x 2⅜"

# HART Bulk Kits

***Designed to help meet the needs of the workplace.***

- Economical kits that work well in businesses, small offices, workshops, even in vehicles
- Convenient, portable kits include necessary supplies for minor first aid care
- Many **HART** kits fulfill OSHA requirements

## Bulk First Aid Kits

Designed to help meet the first aid needs of the workplace, the Bulk #25 kit will serve up to twenty-five people; the Bulk #50 serves up to fifty. (Use additional kits in multiple locations for more than 50 people.) The Bulk #25 and #50 kits meet current OSHA and ANSI standards and can be custom silk-screened to meet your company's needs (see page 8).

**Order #0730** for Bulk #25 kit in a polypropylene box

**Order #0731** for Bulk #25 kit in a metal box

**Order #0732** for Bulk #50 kit in a metal box

## Truck First Aid Kits

**HART** Truck First Aid Kits are filled with quality components to provide quick access to necessary first aid supplies. Housed in a rugged steel box with a baked enamel finish, a weather proof gasket seal, a piano-hinged cover, and a separate carrying handle, the Truck kit meets ANSI standards and is designed for long lasting service.

**Order #0061** for small unitized Truck kit in a metal box

**Order #0066** for small unitized Truck kit in a polypropylene box

**Order #0062** for medium Truck kit in a metal box

**Order #0063** for large Truck kit in a metal box

## Multi-use First Aid Kit

Multi-use First Aid Kits by **HART** have a comprehensive fill selected to meet the typical needs of a larger office or daycare type setting. Exceptional quality supplies are conveniently ready for use in a rugged steel box with a baked enamel finish. Small items are organized together in moisture resistant, resealable bags to help keep them clean and organized.

**Order #0757** for Multi-use kit in a metal box

## Home & Office First Aid Kit

A great kit for smaller offices, kitchens, workshops, or even a vehicle. **HART** has prepared the Home & Office kit with basic essentials for first aid treatment. The polypropylene box features a gasket seal to help keep supplies dry and clean. Small items are organized together in moisture resistant, resealable bags to keep them clean and organized.

**Order #0754** for Home & Office kit in a polypropylene box

**Order #2993** for Large Burn Kit

## Fanny Pack First Responder Kit

With more than 25 items, this **HART** kit contains the basic essentials for the first responder packed in a convenient fanny pouch. It is ideal for use with a First Aid Station to provide a mobile compliment of first aid items for fast transport to the site of any accident.

**Order #0716** for Fanny Pack First Responder Kit

## Backpack Trauma Kit

This **HART** trauma kit contains a complete assortment of Basic Life Support (BLS) components in a convenient backpack, clam shell style bag. Filled with diagnostic, first-aid, CPR and basic rescue items, this lightweight backpack bag features carrying handles and backpack shoulder straps. In addition, it has a large stand up center organizer, three large removable color-coded pouches, and a large outside zippered compartment, all of which provide exceptional organization and quick easy access.

**Order #0715** for Backpack Trauma Kit

## First Responder Kit

The contents of this **HART** kit are designed for use in a wide range of situations from minor cuts to injuries requiring Basic Life Support (BLS). This bag is of exceptional quality. It features rugged, heavy duty nylon with double stitching, large oversize straps and buckles, and many internal dividers and pockets.

**Order #0720** for First Responder Kit

# HART Unit Dose Industrial Pack Medications

## Help Keep Your Employees Alert & On The Job!

### Quality

**HART** medications are of exceptional quality, manufactured to meet exact specifications and packaged for maximum shelf life. Compare them side by side with other advertised brands to see the quality, then try them to prove their effectiveness.

### Safety

**HART** medications are packaged in contamination-free unit dose packets. Each packet has detailed full disclosure product information meeting FDA requirements, including active ingredients, uses, warnings, directions, lot numbers and expiration dates. This assures that your employee has complete information both on and off the work site.

### Convenience

**HART** Unit Dose Industrial Pack Medications offer distinct advantages to you and your employees. The unit dose packets provide a quick, clean, convenient way to provide medications in the workplace. Because they help people stay alert and feel better, they decrease absenteeism and increase productivity. The medium and small sized Industrial Pack boxes are designed to fit in virtually all first aid kits. These individual packets can also be dispensed from most vending machines.

### Other Gauze Bandages, Sterile

- Order #1783 for Adhere Fluff, 4 1/2" x 4.1 yards
- Order #2302 for BloodBlocker

# HART Brand Quality Products

## Creams and Ointments

Dispenser boxed and foil packed, **HART** creams and ointments offer the convenience and purity of single use packaging and reduce the potential for cross-contamination that may occur when using tubes.

### Triple Antibiotic Ointment

- Order #0321** for 0.9 gm packet, 10 per box
- Order #0322** for 0.5 gm packet, 10 per box
- Order #5482** for 0.9 gm packet, 25 per box
- Order #5484** for 0.5 gm packet, 25 per box
- Order #5483** for 0.9 gm packet, 144 per box
- Order #5485** for 0.5 gm packet, 144 per box

### Hydrocortisone Cream 1%

- Order #0421** for 0.9 gm packet, 10 per box
- Order #5396** for 0.9 gm packet, 25 per box
- Order #5398** for 0.9 gm packet, 144 per box

### First Aid & Burn Cream

- Order #0351** for 0.9 gm packet, 6 per box
- Order #5390** for 0.9 gm packet, 20 per bag
- Order #5392** for 0.9 gm packet, 144 per box

### Bacitracin Ointment

- Order #5324** for 0.9 gm packet, 144 per box

## Sprays

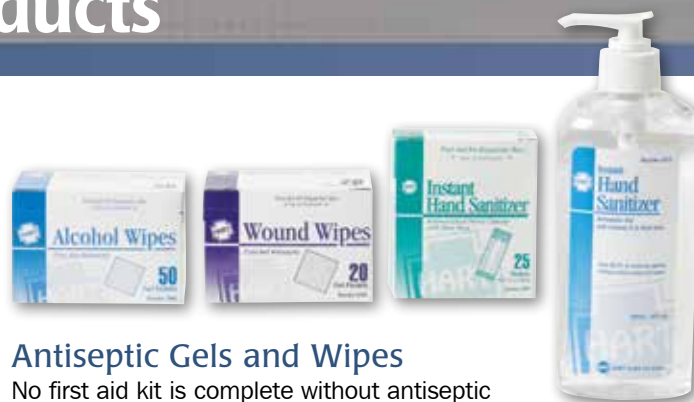

Aerosol and pump sprays are a quick, clean way to ease discomfort of minor wounds or burns. **HART** offers seven sprays in containers that fit most first aid kits or cabinets.

### Aerosol Sprays

- Order #2760** for Blood Clotting Spray, topical analgesic, 3 ounce
- Order #2726** for Burn Spray, topical anesthetic/antiseptic, ½ ounce
- Order #2733** for Cold Spray, skin coolant, 4 ounce
- Order #2765** for Spray Bandage, antiseptic dressing, 3 ounce

### Pump Sprays

- Order #2729** for Burn Spray, anesthetic/antiseptic with aloe, 2 ounce
- Order #2717** for First Aid Spray, topical anesthetic/antiseptic, 2 ounce
- Order #2747** for Hydrogen Peroxide Spray, topical antiseptic, 4 ounce

## Antiseptic Gels and Wipes

No first aid kit is complete without antiseptic cleansing products. **HART** has antiseptic gel in pump bottles or handy take-along packets to help reduce the spread of germs. Sterile Wound Wipes (benzalkonium chloride) and Alcohol Wipes are individually foil wrapped and dispenser box packed for quick easy cleansing of wounds, especially when soap and water is not available.

### Antiseptic Gels

- Order #5399** for Instant Hand Sanitizer, 1.6 ml packets, 25 per box
- Order #2615** for Instant Hand Sanitizer, 8 ounce pump bottle

### Antiseptic Wipes

- Order #2606** for Alcohol Wipes, isopropyl 70%, 50 per box
- Order #6197** for Wound Wipes, benzalkonium chloride, 20 per box

## Cold Packs

Cold packs provide instant temporary relief for minor swelling, sprains and strains. Single use, disposable Cold Packs are available in 5" x 6", or 6" x 9" sizes. **HART** Cold Packs are always great to have on hand.

- Order #0515** for Cold Pack, 5" x 6", boxed, each
- Order #2930** for Cold Pack, 5" x 6", non-boxed, each
- Order #2936** for Cold Pack, 6" x 9", non-boxed, each

## Sun Shield

Prevent painful sun burns that slow workers down. **HART** Sun Shield is formulated for the outdoor work environment with a strong 30+ SPF factor, UVA/UVB protection, and is PABA free. Water and sweat resistant, Sun Shield is oil free and non-greasy and has a pleasant cedar fragrance that discourages insects.

- Order #2531** for Sun Shield, 1½ ounce bottle

# HART Eye Clean & Eyewash Stations

## Eye Clean

**HART** Eye Clean is a sterile, buffered, flushing solution that helps remove particles from the eyes and relieve irritation from the eyes and skin. **HART** Eye Clean is available in five sizes to conveniently fit in all first aid kits and cabinets. The special tip on the squeeze bottles allow the user to direct individual drops or a full stream of fluid in the eye for effective particle removal. Two larger sized pour bottles help dilute acid and alkali burns on the skin, and can also help relieve eye irritations.

**Order #4729 for Eye Clean**, ½ ounce squeeze bottle

**Order #4726 for Eye Clean**, 1 ounce squeeze bottle

**Order #4730 for Eye Clean**, 4 ounce squeeze bottle

**Order #4728 for Eye Clean**, 16 ounce pour bottle

**Order #4727 for Eye Clean**, 32 ounce pour bottle

## Emergency Eye Wash Station

Keep eye wash and skin flushing solutions close to where they will be needed most in **HART**'s Emergency Eye Wash Station. Heavy duty shelf is wall-mountable, and holds virtually any size or shape bottle. Sold as empty station, eye wash products are sold separately.

**Order #4758** for empty Emergency Eye Wash Station
